Event Highlights

Mission Speaker

Nelson Andino, New York State Director of Program, March of Dimes shared new findings from the 5 Prematurity Research Centers.

march of dimes®
prematurity research centers

AT STANFORD
UNIVERSITY

we're using
BIG DATA
tools to merge
multiple biologics
affecting
prematurity

AT THE UNIVERSITY
OF PENNSYLVANIA

we're discovering
how changes in the
cervical-vaginal
MICROBIOME
are involved in
**CERVICAL
REMODELING**

AT WASH U
IN ST. LOUIS

we're investigating
how pregnant
womens'
**SLEEP
PATTERNS**
affect their risk
of preterm birth

AT THE OHIO
COLLABORATIVE

we're finding how
the sociobiology of
**RACIAL
DISPARITIES**
AFFECTS
PRETERM
BIRTH

AT U CHICAGO-
NORTHWESTERN-DUKE

we're studying
**EVOLUTIONARY
GENETICS**
ACROSS SPECIES
to identify genes
linked to preterm
birth

Thank You!

The March of Dimes is the leading nonprofit organization for pregnancy and baby health. With chapters nationwide, and its premier event, March for Babies, the March of Dimes works to improve the health of babies by preventing birth defects, premature birth and infant mortality. For more than 75 years, moms and babies have benefited from March of Dimes research, education, vaccines, and breakthroughs. For the latest resources and information, visit marchofdimes.org/ny or nacersano.org. Find us on Facebook and follow us on Twitter.
