Dear March of Dimes Supporter,

For the past 27 years, leaders in the industry of commercial real estate have come together to create awareness and raise funds for the March of Dimes. The Commercial and Industrial Real Estate Awards is the largest social event for the March of Dimes. The event has raised hundreds of thousands of dollars to support local efforts here in the Lehigh Valley.

Every human being that ever dreams of having a baby and becoming a parent hopes for one singular thing...to have a healthy child. This hope is as natural as breathing. For too many families, this hope does not always become a reality. As difficult as it is to believe that this can happen in this day and age in the United States, one in ten babies is born too soon and fights an uphill battle for a healthy start to live. This experience not only alters the life of the newborn but changes the lives of the parents forever as well. It puts the family on a new course in uncharted territory that is frightening, overwhelming, and difficult to navigate.

The U.S. is facing a crisis in maternal and newborn health. This year 50,000 pregnant women will suffer life-threatening health challenges. One in ten U.S. babies will be born preterm.

Since the start of the COVID-19 pandemic the March of Dimes has been creating new and innovative programs. They established the Mom and Baby COVID-19 Intervention and Support Fund to support research for necessary interventions to prevent or treat COVID-19, advocate on behalf of moms and babies on this issue and educate the public about precautionary measures. The world has been put on pause during this unprecedented time, but the March of Dimes cannot and will not stop or even slow down! We are needed now more than ever!

These have been financially hard times for everyone here in the US. This event will be held virtually on October 30, 2020. We hope that you can join us along with our Event Partner Majestic Realty Co. and our two Platinum sponsors Zator Law and Commerce Construction Co., L.P. for this vital event.

March of Dimes leads the fight for all moms and babies. And they cannot fight for them alone. In every community where there is a need, March of Dimes brings to bear a comprehensive suite of solutions to advance their Mission. A world where every mom and baby is healthy regardless of wealth, race or geography.

Thank you for your interest in supporting us during these challenging times. Someone from the committee will be reaching out to you, shortly. Together we can help every baby get the best possible start. Their advancements are possible because of you.

With much thanks,
