# AGENDA FOR TODAY'S MEETING

Welcome

Recap on Previous Meeting

Development of SDOH Resource Guide

Determination of Roles and Responsibilities

Adjourn

# MEETING GOALS

- Discuss the development process of the resource guide.
- Identify the key elements to house in the resource guide
- Visualize the end results and dissemination
- Determine roles and tasks

# DEVELOPMENT PROCESS

# WHAT KEY ELEMENTS NEED TO BE INCLUDED?

- Introduction, Objectives, and Lit Review
- List of current screening tools
- Guidance on how medical professionals and health workers handle sensitive issues
- Implementation strategies
- Guidance on referral process and follow-up
- Data collection and reporting
- Reimbursement
- Trainings/Professional Development
- Other?

# UTILIZATION/UPTAKE AND DISSEMINATION

- Target audience
  - How will this resource guide serve all states and their different policies?
  - Who will be using the resource guide? Medical Providers? Community Health Workers?  
Does there need to be different language inserted for multiple professional environments?
- What does the end result look like and its distribution (outreach, use by providers, etc.)?
  - Social media outreach
  - Membership organization buy-in
  - Medical groups buy-in
- How do we measure its success? How effective or how useful is this guide to its end users?
  - Long term follow ups with providers (interviews, surveys)
  - Data collection on progress and utilization

# ROLES AND RESPONSIBILITIES

- What role or task do you want to be responsible for?
- Where does your expertise fall under the key elements?
