

# INFANT MORTALITY RATES DUE TO NEURAL TUBE DEFECTS

## Arkansas and US, 2010-2013 Average

© 2021 March of Dimes Foundation. All rights reserved.

Due to the change in coding of cause of death from the Ninth Revision, International Classification of Diseases (ICD-9) to the Tenth Revision, International Classification of Diseases (ICD-10) in 1999, data for 1997-1998 are modified using comparability ratios provided by the National Center for Health Statistics.  
Source: National Center for Health Statistics, period linked birth/infant death data. Retrieved July 24, 2021, from [www.marchofdimes.org/peristats](http://www.marchofdimes.org/peristats).
